THE VENUE

**Palacio de Congresos de Canarias
Auditorio Alfredo Kraus**
Avda. Príncipe de Asturias s/n
35010 Las Palmas de Gran Canaria

The Alfredo Kraus Auditorium, designed by the architect Óscar Tusquets, is one of the most unique and representative buildings in Las Palmas de Gran Canaria. Located at the end of Las Canteras beach, this isolated and autonomous fortress was designed as a beacon to signal and protect the city. Since its inauguration, the image of the Alfredo Kraus Auditorium as a watchtower on Las Canteras beach has become one of the most emblematic images of the Gran Canaria capital.

Throughout its history, the Alfredo Kraus Auditorium has been consolidated as a unique and indispensable venue in the city since all kinds of cultural and social events are held in its facilities. The building is an inseparable part of Las Canteras beach; it's an emblematic symbol of Las Palmas de Gran Canaria around the world.
