

The B2B **Mid Atlantic Ship Repair & Supply Summit** consists of one-to-one pre-scheduled meetings, where organizations can explore potential business and technological co-operation opportunities with international companies. Your co-operation profile is your business card. Write a high quality and meaning full profile.

Registration Open until 2 April

Enter to B2B web and register:

During the registration you can set when you want to be available for meetings. This determines up to how many meetings you can have.

Set up a profile Open until 2 April

Next up you create a profile that will be visible to other signed up attendees on the event website. This profile describes what you are looking for and can offer to potential partners.

Request a meetings

You can start to receive and send meetings requests to attendees you want to meet at the event.

Build Business meetings

A few days prior to the event, the exact time and place for your meeting will be scheduled. You will receive an email with your meetings schedule or you can always check it online.
